**Re: Installation of All-Way STOP Control at Quarry Rd & Lanier PI NW
NOI #19-222-VZD**

Dear Chairperson Guthrie:

Pursuant to the "Administrative Procedure Amendment Act of 2000" D.C. LAW 13-249 (48 DCR 3491 April 20, 2001), the District Department of Transportation (DDOT) is required to give a written notice of our intent to modify traffic and/or parking requirements. This letter is being forwarded to you for the purpose of notification and solicitation of comments on our intent to modify the intersection of Quarry Rd & Lanier PI NW.

These modifications are proposed as a result of a safety evaluation performed by DDOT at the request of residents in ANC 1C. The existing intersection is one-way STOP control, where Quarry Rd NW must stop and Lanier PI NW is free-flowing. The primary safety concerns at the intersection included limited sight-distance for motorists on the southbound approach of Quarry Rd NW and conflicts between motorists and pedestrians crossing the intersection.

Thus, DDOT intends to make the following modifications in your jurisdiction:

- **Install All-Way STOP Control at the intersection of Quarry Rd & Lanier PI NW**

All comments on this subject matter must be filed in writing by Friday, September 27, 2019 with the District Department of Transportation (DDOT), Transportation Operations Administration at 55 M Street, SE, Washington, D.C. 20003. Comments may also be submitted via the email address provided below. If you would like to check the status of this Notice of Intent (NOI), please visit DDOT's website at: <http://ddot.dc.gov/service/ddot-notice-intent>.

If you have any questions concerning this Notice of Intent, please feel free to contact Emily Dalphy at (202) 741-5363 or at emily.dalphy@dc.gov or Brant Miller at (202) 673-1742 or at brant.miller@dc.gov.

Sincerely,

A handwritten signature in black ink, consisting of a stylized 'L' followed by a 'B' and a trailing flourish.

Linda Bailey
